Cell Ideas

Welcome

Talk about your baptism and what it meant to you.

Worship

Spend some time in thanks and praise for all that God has done for you through Jesus' death and Resurrection. Pray for one another in pairs for all that still needs to be perfected in your life.

Word

1. Talk about what you believe Jesus has saved you from.
2. What have you found helpful in encouraging you to grow as a Christian and what else might have been in place to help you more?
3. What do you imagine Heaven to be like and what does the Bible actually tell us?

Witness

Think of how you can communicate some of this teaching to those on your prayer lists.
