Welcome

How do you let off steam when you are feeling angry or irritated with someone?

Worship

Give each member of your group one of the above verses of scripture and ask each one to lead in a prayer based on that verse.

Word

1. Do we need to work harder at creating community inside or outside the church?
2. In what ways or areas does that need to happen?
3. If you could start a church in this area from scratch, what would be the first 5 things you would focus on in order of priority?

Witness

Think about what areas of our life together need some attention and work out how you would address them.
