Welcome

If you were given a servant for a week, what would you most want them to do for you and why?

Worship

Use 1Corinthians 12 v4-11 as a base for worship. Talk about and maybe write down on a large sheet of paper all the jobs, ministries and activities people are involved in in the church (however small). Gives thanks to God for them and pray for them.

Word

1. What can we do to encourage one another to be aware of the gifts that each one has?
2. How can we involve those in our fellowship who seem to be always on the fringes of church life?
3. If you had been one of the other ten disciples in the story in Mark 10 v 35-45, how would you have reacted to James and John's request?

Witness

Pray for those in our fellowship that seem to you to be on the sidelines, feeling undervalued or excluded. Seek God's guidance about how we can help.
