Cell Ideas:

Welcome: Give one word that sums up your feelings at this moment and, if you can, say why.

Worship: Talk about some of the promises in the Bible both fulfilled and not yet fulfilled and pray around those promises in thankfulness and anticipation.

Word:

1. If someone at work or home were to ask "Do you really think God speaks to you today?" How would you answer?
2. If you are seeking God's guidance about something, how do you look for answers and how do you know when God has spoken to you?
3. In what ways can we try to hear God speak to us today?

Witness: Make sure you have opportunities in your daily routine to be still and listen to what God may be saying to you.
